

# Privacy Policy for Grammar Checker Chrome Extension

**Effective Date:** 5/6/2025

## 1. Introduction

The Grammar Checker Chrome Extension ("the Extension") is committed to protecting your privacy. This policy explains what information we collect, how we use it, and your choices regarding your information.

## 2. Information We Collect

### a. Google Account Information

When you log in to the Extension using Google authentication, we collect the following information from your Google profile:

- Email address
- Name
- Profile picture

This information is used solely to authenticate you and ensure that only authorized users from our organization can access the Extension.

### b. Text for Grammar Checking

When you use the Extension to check grammar, the text you select or enter is sent to our backend server for analysis. **We do not store this text locally or use it for any purpose other than providing grammar checking services.**

### c. Authentication Token

We store your authentication token locally on your device to maintain your login session. This token is not shared with third parties and is used only for authentication with Google.

## 3. How We Use Your Information

- **Authentication:** To verify your identity and restrict access to authorized users.
- **Grammar Checking:** To process your text and provide grammar suggestions.
- **User Experience:** To personalize the Extension (e.g., displaying your name and profile picture).

#### **4. Data Storage**

- **Locally:** Your email, name, profile picture, and authentication token are stored locally on your device using Chrome's storage system.
- **Server:** The text you submit for grammar checking is transmitted securely to our backend server for processing. We do not retain or store this text after processing.

#### **5. Data Sharing**

We do **not** sell, trade, or otherwise transfer your personal information to outside parties. Your information is only used as described in this policy.

#### **6. Data Security**

We implement industry-standard security measures to protect your information during transmission and storage. However, no method of transmission over the Internet or electronic storage is 100% secure.

#### **7. Your Choices**

- You may log out of the Extension at any time, which will remove your stored information from your device.
- You may uninstall the Extension at any time.

#### **8. Changes to This Policy**

We may update this Privacy Policy from time to time. Any changes will be posted within the Extension and/or on our website.
